2/17/2017

To: Residents and Business Owners

This letter serves as a notification for a scheduled temporary road closure of Irwin St NE between Sampson St NE/ Auburn Avenue and Krog St NE. This closure coincides with the construction of the Atlanta Beltline Eastside Trail Extension, including installation of a speed table at the trail crossing; sidewalks, curbs, gutters, and light poles; rapid flashing beacons for a safe pedestrian crossing; installation of a fiber optic duct bank; a new storm line connection to existing storm structure; and existing storm structure rehabilitation.

This temporary road closure of Irwin Street is scheduled to begin on March 20, 2017 and finish on April 17, 2017. On those days, the road will be closed for 24 hours. During this closure, traffic will be detoured through the neighboring streets; we ask that you please follow the detour signage that will be installed.

Traffic control devices will be installed as shown in the traffic plan for safety of vehicular and pedestrian traffic as well as safety of crew in the work zone area. An off-duty police officer will be present when workers are active as per requirement of traffic closure permit.

As part of this work, the southern end of the current Eastside Trail will be removed and replaced to meet the speed table. Pedestrian traffic to Irwin Street will be rerouted. ABI will provide detour maps.

Please note that all businesses along the Eastside Trail will remain open during the road closure.

Atlanta BeltLine, Inc. will be hosting a public meeting at 6:30pm on March 2nd at Our Lady of Lourdes Catholic Church located at 25 Boulevard NE, Atlanta, GA 30312. If you have questions about the temporary street closure or would like to hear an update on the progress of the Eastside Trail Extension, please plan to attend.

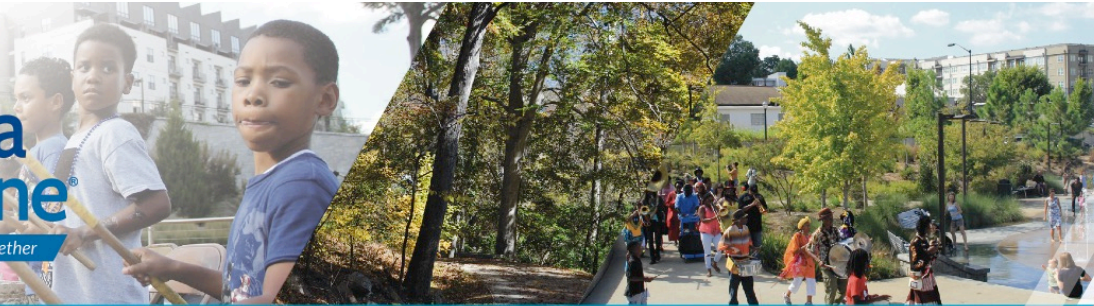

Pedestrian and vehicular detour maps are located on the reverse side of this letter.

Thank you
Samir Patel
Project Manager
Astra Group, Inc.

EASTSIDE TRAIL EXTENSION – IRWIN STREET DETOURS

Detour Details:

Due to construction, Irwin Street will be closed from **March 20th through April 17th** where it crosses the southern end of the paved Eastside Trail.

The closure will be 24-hours a day during this time period.

Detour signage for vehicles and pedestrians will be in place for the duration of the closure.

All businesses along the Eastside Trail will remain open during this time.
